Benefits when paying with AirPlus Corporate Cards

Flexible

Maximum flexibility

The AirPlus Corporate Card ensures that your business payments are exactly the way you want them: our personalized payment terms are fully customizable to your administrative and accounting setup.

Choose the card type that suits you best, align statement dates and payment terms that correspond with your internal accounting requirements. Set geographical limits on where purchases can be carried out, restrict cash withdrawals, limit the types and amounts of transactions allowed, or adjust the frequency of card use.

Global

Worldwide Mastercard acceptance

Available in 15 countries, 10 local currencies and 9 local languages.

Secure

Highest security standards

The AirPlus Corporate Card is equipped with the latest generation of smart card technology. The 3D Secure system offers highly advanced control features that neutralize the risk of fraud. In addition, payments at the point of sale are made even more secure through the use of state-of-the-art chip and PIN technology.

Digital

Streamlined processes for seamless digital onboarding, contract and card management, and minimal administration overhead to configure a cross-country card program tailored to your specific needs.

Mobile and contactless payment

With the AirPlus Mobile App, which is available free of charge from the App Store and Google Play™, AirPlus Corporate Card users have a complete overview of all transactions at all times. And thanks to the easy integration of AirPlus Corporate Cards with Apple Pay and Google Pay™, mobile and contactless payment for corporate expenses is simple, fast and safe: all in one tap.

Precise expense monitoring

All transactions made with AirPlus Corporate Cards can be tracked via the AirPlus Mobile App and the AirPlus Portal. Monthly payment data is available for download. Daily expenses can be recovered and integrated into your company's reporting software.

Total control at your fingertips

Full cross-country card portfolio management in one portal: Define individual rules for card use within the AirPlus Portal and decide how tight you want your card's safety net to be.

Need some more reasons?

We have a few more:

Responsible use of resources	AirPlus Corporate Cards are made from rPVC. Recycled polyvinyl chloride is a plastic made from PVC that has been used and reprocessed, reducing the need for virgin raw materials and lowering our impact on the environment.	One contract, one partner	One comprehensive payment solution for every need – issued by AirPlus.
		Total transparency	Manage and monitor your entire spend in the AirPlus Portal, which provides complete transparency of all expenses.
Saves time and money	Simpler processes for fewer indirect costs: • Spend less time filing expenses, and enjoy quicker reconciliation. • Achieve measurable savings through optimized processes and a stronger negotiating position. • Limit the risk of internal fraud and fully integrate expenses into your reporting process with prefilled figures.	Full integration	Reduce manual effort with automated payment data integration into your ERP systems and expense reports.
		Card User Service Guide	The QR code on the back of the card takes card users directly to the online Card User Service Guide. It contains all relevant card- and country-specific information about the AirPlus Corporate Card in question and is available 24/7.
Duty of care	Comprehensive insurance coverage for your employees.	Customer service	The AirPlus Corporate Card Service Team supports card users via phone, 24/7 and in 5 languages.
